VARSITY COACH

MARK BARGERON

Mark Bargeron is in his 8th year of coaching with the Hurricanes soccer program. He is a soccer lifer who played four years at Wofford College and two years with the Nashville Blues before getting into coaching when his daughters started playing U8. Mark coached club soccer for 12 years with Savannah Celtic, Savannah United, and Southside Soccer Club before retiring from the club scene to focus on both the Hurricane men's and women's high school teams. Mark and his wife Stefanie homeschooled their two daughters, who are now both in college, and he had the privilege of coaching both of his daughters in both club soccer and with the Hurricanes. Mark takes the honor and privilege of developing young men and women in their Christian walk and in the beautiful game very seriously and is humbled by the opportunity. His goal is to develop kids who love the Lord, love the game, and love to compete in a way that will glorify Jesus.

LET'S GO, CANES!

VARSITY COACH

TOM STEPHENS

Tom Stephens is in his fifth year of coaching with the Hurricanes, leading the middle school team in 2019-2022 and stepping up to work alongside Coach Mark with the high school Canes and Lady Canes in 2023. Tom grew up playing soccer from the age of 5 and enjoyed playing competitively all the way through college at Ball State University.

Tom and Sue married in 2004 and have five kids, Savannah, Isaiah, Ellie, Caroline, and Ridgely, who each play the beautiful game of soccer. Sue is a huge help with behind the scenes needs of CHAA Soccer. The Stephens family has attended Community Bible Church of Savannah since 2008 and Tom has served as the Outreach and Missions Pastor at CBC since 2018. Using the gift of sports he has been able to play soccer and share the gospel around the world. Coach Tom's aim is to grow soccer players who love the game and get better each day. Even more than that, his desire is to make disciples who use everything in their life, including soccer, to glorify God and point others towards the grace and love of Jesus.

MS COACH

Kyle Payne

Kyle Payne is a dedicated soccer coach with 11 years of experience coaching players of all ages and skill levels. He spent 4 of those years coaching at Savannah United Soccer Academy, where he helped develop young athletes into confident, skilled players. He believes that every player has unique strengths and weaknesses and strives to give each athlete opportunity to improve their skills in a supportive and fun environment. In addition to his passion for soccer, Coach Kyle is also an aerospace engineer, and he brings a unique perspective to his coaching approach. He believes that the same principles of teamwork and problem-solving that apply to engineering can be applied to soccer as well, and he works hard to help his players develop these skills. Kyle is a certified coach with several coaching licenses, and he continues to pursue ongoing education and training to stay up-to-date with the latest coaching techniques and strategies. He is committed to providing his players with the best possible coaching experience, and is always looking for ways to improve his coaching skills and knowledge. As a Christian coach, Kyle believes in leading by example both on and off the field. He strives to live a life of integrity and models good sportsmanship and respect for his players, opponents, and referees. He also encourages his players to prioritize their faith and values and to use their gifts and talents to serve others.

MS COACH

MARK VANTIL

Mark Van Til is in his first year coaching with CHAA. Prior to moving to the Savannah area two years ago, he coached 6 seasons in Arlington, Virginia, and a couple before that in Orlando, Florida.

In addition to coaching experience, he played competitive soccer all the way through high school, and having some amazing coaches growing up in Chicago, he feels he has much to offer the kids playing in this organization. He believes this organization is being given such a great opportunity to not only support youth athletics in a sport he cares deeply about but, more importantly, it can reinforce positive character development, personal growth, and strengthen our belief that in all we do, we have the opportunity to honor our father and use the talents we have been given to serve his purposes. Go Canes!
